

SUGGESTED OBITUARY ADDENDUM FOR NEWSPAPERS

Good Shepherd Catholic Community in Colleyville is in the process of raising funds to meet the ever expanding growth challenges of our Church through our *Moving Forward in Faith* Development Project. Please help us reach our immediate goals for the sake of future generations!

As a way of helping us with this Development Project, may we suggest that you consider adding the following to obituary notices in newspapers and to request persons wishing to make a donation in memory of your loved ones to do so as follows:

“The family requests that memorials be made to *Good Shepherd Catholic Community Development Project*, 1000 Tinker Road in Colleyville, Texas 76034-6104.”

An Acknowledgment of your memorial, in the name of the deceased, will be sent to the family from the Good Shepherd Catholic Community in Colleyville.

Thank you for your consideration,

Father Richard Eldredge, T.O.R.

Pastor
